LEWIS & CLARK COUNTY SHOTGUNS TOURNAMENT (100 rounds)

GENERAL: Shooters should be prepared to shoot at their specified time, with operable gun, shells and protective gear. Non-competitors must remain in the designated spectator areas. Range commanders and event leaders have ultimate authority on the range. Notify range command of any problems or questions as soon as possible. By registering, you agree to all rules, as set forth in this application.

Competitor's age calculated as of October 1, 2016.

SAFETY: Guns must remain unloaded with action/breach open unless it is the competitor's turn to shoot on the line. No ammo is allowed in gun until it is your time to shoot. Tracking of birds while on the line or in any area of the event will not be permitted. All participants/workers will wear safety glasses and ear protection while in the shooting zone. Only closed-toed shoes will be allowed in the shooting zone. (It is highly recommended spectators wear ear protection as well.) Only designated personnel will be allowed to approach the trap house-do not walk in front of the trap house.

EVENT: A squad will consist of 5 shooters-either pre-grouped or individuals will be assigned a squad. A 5-person squad will shoot two 50 round lines with a break in between totaling 100 rounds. Tops scores in each age group will win a trophy. (Ties will be settled by a single miss shoot-off based on distance.) No shot larger than 7 ½ will be allowed. Practice range is available through the trap club for \$4.00/25 targets.

Age groups: 9-11 12-14, 15 and up

Novice: any age new to shooting and physically cannot shoot 100 rounds consecutively (or shoot 50-with a break-then shoot 50 more) will shoot a total of 50 rounds. **Note: Novice will require the signature of your 4H shooting sports coordinator.**

Trophies will be awarded at the end of the day after all shooters have completed shooting including tie-breakers.

START TIME: 10.00 a.m.
